

## BRIGHTON CEMETERY RECORDS - of Lorain County, Ohio

This record is a transcription of the Brighton Township records and headstones.

The transcription was created in the 1990's by Shirley Oney, a deceased member of the Wellington Genealogy Group.

The 28 page, hand-written transcription was typed into an excel file by Agnes Johansen in 2015.

This transcription was not edited against an original record. Please be aware that there are some "mistakes" and misspellings.

Members of the WGG corrected the spelling of many medical terms but left other misspellings as written in the transcription.
